Dear Sadia,

I wanted to thank you for all the vital work your organization does. Milton is a strong community, and it's because of organizations like yours and individuals like you that Milton is becoming a more inclusive town.

This fundraiser is an excellent example of how your organization brings individuals from the Milton community together to support a worthy cause. I have seen your tireless efforts over the past few years to raise awareness of domestic abuse against women, provide resources, and create a safe space. Your commitment to these women and your efforts to support them during difficult times is greatly appreciated.

The lives of countless women will continue to be positively impacted by your perseverance, and the time you dedicate to Hum-WE. That is why I am so proud that a Milton organization is fundraising to establish its first shelter for South Asian victims of domestic, gender, and intimate partner violence.

I can't thank you and your organization enough for everything that you do for the Milton community, and I wish you all the best in your future endeavors. I am always here to support your efforts aimed at helping victims of domestic violence in the South Asian community.

Sincerely,
